**Fall 2009**

**Publication of the Opening conference proceedings:** Harmonizing 20<sup>th</sup> Century drugs: Standards in pharmaceutical history Editors : Christian Bonah, Christophe Masutti, Anne Rasmussen, University of Strasbourg.

**Topic:**

**Publisher:** Glyphe publishing : Paris.

**Spring 2011**

**Expertise seminar II:** Standardisation and the public (Organization: Rasmussen/Simon / Place: Strasbourg/Lyon, F)

**Topic:** Beyond the industry, the lab, the clinic and the state, standardization and regulation practices are at stake when therapeutic agents meet the public sphere. The conference will assess two major developments occurring during the second half of the 20<sup>th</sup> Century. On the one side publicity and advertisements aimed directly at the public or mediated by the professionals; and on the other the role of patient associations and patient involvement as co-determining perceptions and practices of drug standardization and consumption. Co-Financing by MISHA (Innovations thérapeutiques et pratiques de santé)
